

Metal Sign Information

Metal signs are available for producers, county Cattlemen groups, etc. The sign design includes the 'Beef. It's What's for Dinner.' logo on a white background with a space along the bottom to put your name or farm name. The signs are made on a .080 solid aluminum (25-year life expectancy) and are 4' x 5' in size. Interested parties can choose to have the sign be one-sided or two-sided.

The cost of these signs will be split between the Missouri Beef Industry Council and the individual or group ordering, with the cost to the purchaser outlined below.

****County Cattlemen groups can request signs via the Beef Promotion Grant application. Contact sydney@mobeef.com for more information.***

Producer Cost Breakdown:

Sign size – 4'x5'

Producer Cost for a Single-Sided Sign: \$216.35

Producer Cost for a Double-Sided Sign: \$256.25

(Sign will look like the image below)
